

Yes, God Loves You!

The Word of God Promises Redemption and Healing for All God's Children

How do you feel when you hear the words, "God loves you"? Do you often wonder: "Is God really out there? If He is, can He really care about *me*?" Perhaps you are thinking: "I am not good enough ~ God couldn't possibly love *me*!"

Yes, He can! In her book, *Can God Love Me?*, author Nancy Anderson brings to life the depth and true significance of God's love for you. Through Scripture, she shows how this love applies to you and to all God's children - even if you feel unwanted, unworthy and unloved. Through her heartfelt personal testimony, Nancy relates her own intimate walk with the Lord - a walk that has seen her through the many trials of everyday life. But, this book is not Nancy's story. It is *your* story!
